

**WORSHIP SERVICES:**

- We will offer a number of 45-50 minute services across our campuses. Worship will be live at each service with Pastor Tony and Travis delivering the message live or via video during this season.
- We will continue to utilize our online streaming platforms at [silverdalebc.com/live](http://silverdalebc.com/live) and Facebook as well as on-demand on platforms such as YouTube.

**REGISTRATION:**

- To maintain physical distancing and keep people safe, we are going to limit our services to 50% capacity or less. In order to do that effectively, we will offer an online registration process for you to choose the location/service of your choice. This will also allow us to maintain a proper entry and exit strategy to keep everyone as safe as possible.
- Registration opens at 5p on Thursdays for the upcoming weekend services.

**SEATING:**

**ENTERING/EXITING:**

- Entering and exiting each location will be done in a way that allows for physical distancing. Each campus will have its own strategic plan that minimizes crossover of services and does so in an orderly manner with clear direction.

**MASKS:**

- Wearing a mask is recommended in accordance with the national guidelines but is not required. Some will be available at the entrance if you need one.
- We offer a masked service where masks are required at 8a on the Bonny Oaks, Creekside, and North Ooltewah Campuses. The only exception are those on stage who undergo daily screenings.

**SANITIZING STATIONS:**
