# FAQ

## **What is Mission: D6 Family Experience?**

Mission: D6 Family Experience is Silverdale's new Wednesday night on-campus discipleship program.

## **Who is Mission: D6 Family Experience for?**

Mission: D6 Family Experience is for families with children from 3 years old to 5th grade who want to study God's Word together, learn more about what it means to follow Jesus, and connect with other families.

## **What time can I drop my kids off?**

Mission: D6 Family Experience is truly an experience for the whole family, meaning parents attend with their children. Research consistently shows that parents are the most effective and impactful disciplers of their children so we want to protect an hour each week for you to pour into your kids through fun and engaging activities and Bible study that our Silverdale Kids team builds out for you!

## **Some of my children are younger than 3. Can we still participate?**

Yes! If you are participating in the Family Experience with your older children, you will have the opportunity to place your children 2 and under in childcare. You're also welcome to bring your littles with you to the Family Experience, just be aware that the program is designed with older children in mind.

## **I'm a single parent with multiple kids. Can I participate?**

Yes! We will have amazing volunteers on hand to assist you with anything you might need, so please join us!

## **Is this at all campuses or just Bonny Oaks?**

Mission: D6 Family Experience is taking place at Bonny Oaks and our St. Elmo campus. North Ooltewah families are welcome to join Bonny Oaks and several NO families have already registered!

# FAQ

## **When does this start? What's the time commitment?**

We will kickoff our first term August 17th from 6:30-7:30. Each term will run 6 weeks with the first term going from August 17th – September 21st, the second term going from September 28th – November 16th, the third term going from January 11th – February 15th, and the final term for the year going from February 22nd – March 29th. You can join us for one term or every term and each term will be independent of the others.

## **What will the night look like?**

Each night will kick off with a focus on our memory verse for the term and an opportunity to create. We will then have a family game or activity, followed by time together reading God's Word and discussing it. A person on our teaching team will debrief the whole group on what they just learned and we'll head into a large group game or activity that will give you opportunities to interact with other families. We'll wrap the night up with a dance party that also teaches us more about God's Word!

## **Will there be food?**

A light snack will be provided upon arrival, but try to eat before you come if you can!

## **What should we bring/wear?**

We'd love for each person in your family to bring a Bible, but if you don't have enough or forget, one will be available for each family to share. Wear comfortable, casual clothes that you can move around in easily.

## **I can't be there on Wednesday nights, is there anything my family can do?**

Mission: D6 At Home is a great option for you! Your family can choose between several different options and study God's Word together each week at a time that fits your schedule. Register at [silverdalebc.com/kids](http://silverdalebc.com/kids)

## **Do I have to choose between Mission: D6 At Home or the Family Experience? We'd love to do both!**

You can absolutely do both! Just make sure you register for each option at [silverdalebc.com/kids](http://silverdalebc.com/kids)
